

VAAO 68th Annual Conference **Golf Outing - Update**

The VAAO Conference welcomes you to play golf at the renowned Kingsmill Golf Resort. There are two Championship Courses located in the heart of the Resort property. This year's Golf Outing will be on your own-no scheduled golf tournament; due to the time of year, Daylight Savings time, and the Resort tee time scheduling.

We wanted all those who wish to take advantage of playing golf to schedule the day and time of their own choosing to accommodate play around their individual class/conference schedules.

We invite all attendees/spouses/guests wishing to take advantage of playing either course to schedule their own tee times by contacting: Kingsmill Pro Shop: 757-253-8299 Ext. 1461

Attendees spending the night at the Resort may make their tee times after their overnight reservations have been made. Locals not staying on the Resort property overnight may call the Pro Shop, state you are with our Conference and pay by credit card. If you have any issues with tee time rates, please call Ms. Michelle Lotts at 757-253-8245.

Conference attendees will pay the following rates to play during our conference.

Rates include golf, cart, & range balls. There is a \$1.80 cart fee tax which will be added to the rates below.

The River Course: 9 Holes - \$ 60.00 18 Holes - \$ 90.00
