

**Virginia Association of Assessing Officers
Joint Session- Mixed Use Developments in Williamsburg and
James City County
November 16, 2016 / 2pm-5pm**

This session offered a discussion of the development and success of three mixed use developments. Representatives, including a developer, appraisers and planner, will each speak an hour on their mixed use property: *New Town, Quarter Path & High Street*. These “city center” type developments of residential and commercial property are all located in the Williamsburg & James City County jurisdictions.
