

**Virginia Association of Assessing Officers
Concurrent Session- Specialized Real Estate & Reporting
November 17, 2016 / 2pm-4pm**

This session offered presentations of local jurisdiction processes & reporting for commercial & residential mass appraisal including retail appraisal. Discussion of research and reporting techniques and applications along with systems and software used. Statistical reporting & data collection was also presented. The second portion of the program on historical/special use real estate featured a presentation by G.Glen Oder with the Ft. Monroe Authority who discussed current and future challenges of leasing the retail and residential properties and greenspace at Fort Monroe.

Instructors: Jonathan Garner, Manager Real Estate Assessments, City of Hampton, Josh Meyers, Josh Meyers Valuation Solutions, G. Glenn Oder, FASLA, Fort Monroe Authority

There is no graded exam. 2 hours CE
