

Virginia Association of Assessing Officers
The Value of a High Performance Home
Wednesday, October 18, 2017 / 1:30 pm – 5:00 pm

Distinguish the value: Appraisers can define and rate a green built certified home compared to standard built home - Bench Mark Builders, Inc. – Brent Fortenberry, President & Suzi Fortenberry, Vice President & Realtor.

Extra steps in Insulating a Green Built Home – Dustin Derrick, Branch Manager, Creative Conservation, Sustainable Insulation Expert.

Tighter houses need active ventilation – New code does not mean proper ventilation – Barry Martin, Ventilation Specialist, Cundiff Heating & Air.

Certification of the Green Built Home – Leo Watkins, Residential Building Energy Analyst, EarthCraft House.

There is no graded exam. 3.5 hours CE
