Providence Hall- Past & Present
November 16, 2016 / 6pm-8pm

This session offered a tour of the historic Providence Hall House, Mill & Environs in Providence Forge- New Kent County. This colonial home was dismantled in the 1950's to make way for the expansion of Route 60. It was reconstructed in Williamsburg, first serving as a guest house and later incorporated into the operation of the Williamsburg Inn. The tour features the history of the house at it's original location, as well as the story of it's relocation. Attendees will also see the photographs taken by the Works Progress Administration.
