Officers – Directors

Thank You for Serving

The enclosed Virginia Association of Assessing Officers Board & Committee Rosters are provided for the convenience of the membership and other potential stakeholders.

This great Association was built on a foundation of hard work and dedication. As such, the membership and those who commit their time to ensure that the goals of the Association are achieved are the key elements of that foundation.

I am grateful and humbled by the trust placed in me as I serve as your President. For each of you that have committed to serve and shown a willingness to help guide the Association this year and beyond, I will never take you for granted. The work we do is consequential and the Virginia Association of Assessing Officers gives context to that work.

I am excited to work with and alongside each of you as we continue to promote our profession through the Virginia Association of Assessing Officers.

Sincerely,

Holt W. Butt
